HELP SUPPORT THE CONFERENCE

The first-ever State of the Student Conference will be a free, daylong event focused on the needs and experiences of Connecticut's most important resource: its students. The Conference will gather community members, educators, policymakers, advocates, and students from across the state to build knowledge, inspire solutions, and fuel action to address some of the most pertinent issues impacting children and youth in Connecticut.

Throughout the day, attendees will have access to panel discussions, moderated Q&As, and keynote sessions featuring educators, students, community advocates, and other stakeholders who are leading the fight for equitable funding, access, and opportunities for all students. Conference sessions will cover an array of topics, including:

- Understanding the Student Experience
- Reconnecting Disconnected & At-Risk Youth
- Meeting Changing Student Needs
- Supporting Students with Disabilities
- Reimagining K-12 Education
- Strengthening Early Childhood Education
- College & Career Readiness
